Announcing Relocation of MMS East Division

PELHAM, NEW YORK—February 13, 2007. MMS – A Medical Supply Company announced that it has signed a lease and will be moving the MMS East Division executive offices to 145 Huguenot Road, New Rochelle. It is estimated that the actual move for the MMS team will be in early March. Approximately fifty-five people, including Customer Support, are relocating from the current Pelham space.

Since being acquired in early 2006, by MMS, the East Division has added several team members to support their Hospital, Nursing Home and Home Care Customers. In addition to products from every major healthcare manufacturer, MMS East Division has a broad offering of supply chain technology solutions. “It is a reflection of our continued ability to grow our offerings and our Customer base that necessitates this move,” says Gina Marchese, Vice President and General Manager of the MMS East Division. “We have a talented team and I am excited that our growth has allowed us to retain our entire team and move to a location that allows all of them to stay with us.”
