ST. LOUIS, MISSOURI - May 25, 2010. MMS - A Medical Supply Company, one of the largest independent healthcare distributors, is pleased to announce that Tony Gadzinski has been appointed to the newly created position of Vice President of Marketing and Business Development.

In his new role, Tony will be responsible for Marketing, Vendor Relations, Sales Training, and Product Sourcing. His extensive experience in leading sales and strategic initiatives in both healthcare distribution and manufacturing makes Tony a perfect fit for this new role. He will be based out of MMS' New York corporate office and report to Tom Harris, Executive Vice President of MMS.

Gadzinski, who most recently served as Senior Director of Corporate Accounts for Medical Action Industries, brings over 20 years of healthcare experience to MMS. Prior to Medical Action, he was Sales Director at Perigon Medical Distribution and Regional Sales Manager at Henry Schein.

“This is an excellent opportunity to bring someone with many years of healthcare experience into our very talented management team,” said Tom Harris, Executive Vice President of MMS. “We are delighted to have an executive of Tony’s caliber joining MMS in this important role. He has a great track record for managing complexity and delivering results. The formation of this important role and the appointment of a leader with Tony’s experience and capabilities symbolizes our commitment to excellence in developing and driving continued growth.”
